1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

Customer of Carolina Water Service, Incorporated

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

Water rates are, as we understand, some of the highest in the county. Now, new fees and expenses, to be incurred by the customer are also being imposed (proposed, and still in the works), for backflow preventer installation and annual testing. We have had several water bills in excess of \$200.00 for a month, and one in excess of \$400.00. We do NOT use our irrigation system on any regular basis (not left programmed), but turn it on occasionally when plants are wilting, or when new plants are put out.

This water usage is for residential use, with only two people in our household!!

3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony? *
(This section should be completed.)

No.
